PRESIDENT'S REPORT

Firstly congratulations to our Committee Members who were returned unopposed to their positions on the State COM. It is a true indication that the Association's Members are satisfied that the COM is performing the function of State Management in the interest of the Association as a whole.

I would also like to congratulate and welcome **David Drew** from the **Northern Beaches Branch** in the position of Committee person. I thank our former Committee member Neil

Purvis, who did not stand this year, for his service and contribution as a Member of the COM over the past years. I wish him well for the future.

On 21 June by invitation I attended to Attestation Parade of Class 236 at Goulburn Academy.

I was accompanied on that occasion by our Webmaster **David Whiteman**. On that day I met with **Superintendent John Klepczarek APM**, who will be taking over the role of **Academy Principal** from **Superintendent Toby Lindsay APM**. He informed me that he was keen on continuing the relationship with the RFPA. The Attestation Parade was again one of pomp and ceremony with the highlight being **Det. Inspector Amy Scott awarded the Commissioners Award of Valour**.

On 18 July **Ian Lovell** and I were invited to the **Newcastle Police District Awards Ceremony** where after the Ceremony we conversed with both serving and former Police. Amongst those we spoke with was **Northern Region Commander A/Asst Commissioner Shane Cribb**.

On the 31 July I attended the Celebration of Life Service for the **Late Former Assistant Commissioner Bruce Wallace Johnston APM**. I had served under his Command for a number of years and the service was well attended by both serving and former Police. The Service was conducted by **Police Chaplain Ian Schoonwater** in a manner befitting the calibre of the **Late Bruce Johnston**.

By invitation of **Superintendent Sam Chrisafulli** I travelled to the Builders Club in Wollongong on Saturday 3 August for the **Awards and Recognition of** for personnel attached to the **Youth Command**. On this occasion I was invited to speak regarding the RFPA and the role we play in assisting Retired and Former Police.

On Tuesday 20 August along with **Ian Lovell** and **Gazette Sub Editor Sandy Benson** I attended the meeting of the **Central Coast Branch** at Ourimbah RSL. Their Guest Presenter was **Quentin Anthony**, a former PNG Patrol Officer and ASIO Agent. This gentleman is 93 years old but looks more than 20 years younger than that. His presentation from when he was a child in Papua New Guinea, to being evacuated to Australia when the Japanese invaded, and then returning to become a Patrol Officer for many years before being poached by ASIO.

On Wednesday 21st August I attended the **Police RSL Sub-Branch Memorial Service Commemorating both VP Day and Vietnams Veterans Day**. The Service was conducted at the Burwood RSL Club with our **State Secretary Bruce Howe as the MC**. I laid a wreath on behalf of the RFPA in remembrance to those who paid the Supreme Sacrifice.

By Invitation from **A/Asst Commissioner Shane Cribb, Ian and Lovell** and I attended on Wednesday 28th August the **Northern Police Region Serving and Retired Commissioners' Officers Formal Dinner** in Newcastle.

A busy couple of months with on the agenda for the rest of the year:

Your Committee of Management are continuing their efforts to further enhance the name of the Retired and Former Police Association and we applaud the Branch Committees commitment in supporting our goals.

God Bless,

Paul Wynne

SECRETARY'S REPORT

With the AGM 'season' just about over, we will be getting used to some new faces, and have welcomed **David DREW** into the Committee of Management at the 26 August meeting of the CoM. David brings with him his policing background, combined with years of experience in the security industry as a manager of major undertakings for SNP. Included in his responsibilities were Mascot Airport security arrangements, corporate governance and Australian Standards

compliance. He will keep us on track.

Several Branches are yet to report their management and financial details, and when these are known, CoM will deliberate on Branch grants. During this year we have seen some excellent fundraising and donating by several Branches. Notable again has been the effort of the Macarthur Branch, which raised an enormous amount of money at a golf day which enabled them to make a generous donation to the **Menangle Bush Fire Brigade**. Macarthur's policy is to choose a LOCAL organisation which would benefit from the Fund Raising. Well thought out, well organised, and very worthwhile effort all round. **Steve REEVES, Roger FORD** and **Ron REUBEN** deserve our congratulations. They have placed the RFPA in the spotlight in their area for all the right reasons. Last year's donation to buy defibrillators for Police Vehicles in their area are already saving people. During the recent weeks I have visited a number of Branches and country locations on RFPA business. The President **Paul WYNNE**, Vice President **George WEISSEL**, Welfare Officer **Ian MOORE**, and Gazette Assistant Editor **Sandy BENSON** have been with me on some of these.

We have been asked about who pays for these 'trips' and we can all say that they are all done at no cost to the RFPA. We have visited Forster, Tamworth, Dubbo, Ourimbah and Wingham on Branch business, and various locations on invitation from Police Commands.

Our calendar in the next few weeks includes planned visits to the Hornsby, Illawarra and Kiama meetings. We like to interact with former colleagues and meet new acquaintances, assist Branch officials with any issues they have, and take away ideas to incorporate good practice into our advice. The Business Plan is our guide to dealing carefully with core business, and is a working document available to Branch officials to assist in keeping our aims in sight. We would like to make the RFPA an enduring benefit to our former colleagues when they may need it most. The RFPA is now 93 years old, and we are looking forward to its centenary in 2031.

Much has already been reported by **Paul WYNNE** regarding **Quentin ANTHONY**, former PNG Patrol Officer and ASIO operative, who spoke at the Central Coast Branch's recent meeting. Locals in attendance (and the five visitors on the day) were treated to a wonderful recall of the 1940's in Papua New Guinea through a child's eyes and at the commencement of the Japanese invasion in 1942; working in primitive conditions as a de-facto Police Officer; Magistrate and midwife through the 1950s, and the tribal fighting, disease, lawlessness and jungle lifestyle Quentin endured during his working life. He then took the easy way out and left PNG for the James Bond life of an ASIO person.

I had a call from **Olivia BRUCE**, who won the major prize at **Bob DREW's** benefit. She had just arranged her trip to **Palm Cove to stay at the Reef Retreat**, and wanted to thank the RFPA for our part in providing some of the add-ons to her free week at **Jim and Joanne's** tropical paradise. We are all grateful to Jim and Joanne for making these holidays possible, and for their generosity and ongoing involvement. If you are wondering what to do in the next couple of months, give them a call, arrange your VIP status as an RFPA Member, and go for it. Make sure that you book directly with Jim or Joanne, so they don't have to pay agents' commission and neither will you. (07) 4059 1744

Contact with police commanders of late has revealed some of the headwinds being faced by the NSWPF right now. Thinking back a few years, I don't remember being videoed by offenders or bystanders when the chips were down. Guns and knives were around, but not in the numbers they

face today. Copycat crime is practised and boasted about on TikTok, which didn't exist. Video games are where car thieves learn to drive, or maybe just adopt an attitude to driving. However, the words of one commander in particular have had a great effect on me personally in my assessment of how 'the job' is going. He said, "I have great young people working for me learning this job. I can depend on them and I am filled with optimism when I reflect on what they are doing." He said this to a room full of retired police, and the resulting discussion amongst us certainly lifted the mood over our meal.

Godspeed and congratulations to those who are doing the job on our behalf and keeping us safe.

WELFARE OFFICER'S REPORT

The summer months are almost with us and I hope everyone is feeling well. If you have been ill, I hope that your welfare is on the improve and the future holds much brighter. We have lost some fine members over the past months and they will be remembered by us. Many former RF Police do not join the Association.

I ask that such members do join the Association and like many, enjoy the friendship and social activity of the Association. To those of you who have not been feeling well, I hope things improve for you to make your life better.

THE FORGOTTEN SECONDMENT

In the early 1970s, when Papua New Guinea was preparing and aiming for Independence from Australia, the Federal Government became aware that a number of Contract Officers working in PNG would be approaching a time when their contracts would expire or need to be renewed. A decision was finally made late in 1971 or early in 1972, not to renew contracts but

to replace these personnel with police from Australia, in order to fill the gap to the countdown to Self-Government.

A few officers went up to PNG in 1971/ 1972 and jobs for secondment were advertised in the various Police Forces around Australia.

There were already personnel from NSW Police "in country" e.g. **Paul McKinnon** and **Bob Green**, and early in January 1973 a group of 10 police from NSW was seconded to work in PNG for two years. These police went up initially in January to be introduced to working conditions and housing there. They returned to Australia after a short period to accompany their wives and families to begin work and family life at the beginning of the school year.

I have enclosed a photo of the group taken after they were outfitted with the Royal Papua New Guinea Constabulary uniform. They were given various jobs to do in training and development of cadets and potential officers. Of the ten who were seconded, seven families lived at the Police Training College at Bomana, about 10 miles out of Moresby. One family lived in Boroko, a suburb between Moresby and Bomana, the site of a large Police Station and shopping centre. Two went to other parts of PNG.

Sadly time has interfered with memory for other responsibilities. Suffice to say that all the men were involved in training the up and coming Cadets and Officers.

Back Row - Ron Gilson; Geoff Wegg; Hans Moller; Ron Blake; Rex Anderson
Front Row - Pat Cassidy; Phil Lloyd; Mike Fenton; Jim Underhill; Alan Singh.

Ron Gilson went to Lae; **Hans Moller** went to Rabaul; and **Phil Lloyd** worked in Prosecutions, training younger potential prosecutions officers, **Rex Anderson** was Training Officer for the whole of the Papua Division necessitating many trips around the islands on the Government Trawler.

They all had a hand in training the man to become the first Police Commissioner, **Pius Keropaoea**, and others who took high positions early in Independence. Pius later became the Commissioner for Prisons. Sadly **Pius** was, many years later, killed when a rascal attacked him near his home in Moresby.

WHEN COPS RETIRE

When a good cop leaves the 'job' and retires to a better life, many are jealous, some are pleased and yet others who may have already retired wonder. We wonder if he knows what he is leaving behind, because we already know. We know, for example, that after a lifetime of camaraderie that few experience, it will remain as a longing for those past times. We know in the law enforcement life there is a fellowship which lasts long after the uniforms are hung up in the back of the closet. We know even if he throws them away, they will be on him with every step and breath that remains in his life. We also know how the very bearing of the man speaks

of what he was and in his heart still is. These are the burdens of the job. You will still look at people suspiciously, still see what others do not see or choose to ignore and always will look at the rest of the law enforcement world with a respect for what they do; only grown in a lifetime of knowing.

Never think for one moment you are escaping from that life. You are only escaping the 'job' and merely being allowed to leave 'active' duty.

So what I wish for you is that whenever you ease into retirement, in your heart you never forget for one moment that **'Blessed are the Peacemakers for they shall be called children of God,'** and you are still a member of the greatest fraternity the world has ever known. There are those that think they understand, and then... there are cops.

NEW SOUTH WALES POLICE LEGACY REMEMBERS YOUR SERVICE AND SACRIFICE

Phil Holder APM

When the rules for Police Legacy were being developed, focus was never lost on who it was that we were recognising. That focus centered upon the need to always remember the service and sacrifice of our Police Officers, both serving, retired and medically retired.

To this end, when the inaugural Board of Management was determining our logo, the words "We Remember Them" rang out as a true and blunt reminder about our responsibility to all Police Officers, past and present, who have served in what we affectionately call "The Job."

It is timely to remind all retired and medically retired Police Officers **that you are covered under the rules of Police Legacy** – always have and always will be. Equally, it is appropriate to remind everyone of the wonderful work that Police Legacy does in caring for our families (Police Legatees), when we are no longer here.

The efforts of NSW Police Legacy in focusing on the "Police Family" and its maintenance and growth are outstanding. I have spoken to literally hundreds of Legatees, who have always been impressed at the level of support and understanding they received on the death of their spouse/partner, who was either serving or retired.

On being advised of the death of a retired or medically retired Police Officer, Police Legacy makes direct contact with Legatees. This contact allows for an immediate welfare check and to assess if any short-term urgent assistance is needed. Beyond this point, the following are examples of the assistance and support available:

- Invitations to social connection events, including Christmas Lunch, Family Day, Social Connection Lunches
- Specialised grief and bereavement psychological support
- External support referrals
- Accredited financial advisor support service
- Referral and advocacy service for various issues such as pension applications, council assistance, medical assistance, My Aged Care applications, and personal safety support
- Supply of Personal Care Alarms to Legatees 65+
- Wellbeing checks

For those passed Retired and Medically Retired Police who may have had younger children of school or university age, the following additional assistance and support is available for 0–25-year-olds:

- Education Grants from pre-school to university and apprenticeships
- Scholarships
- Mentoring and leadership programs
- Safe Driver program
- Social connection through camps and Family Days
- Outward Bound adventure camp

Police Legacy has continued to listen, to learn, and to collaborate with Police. This ensures that the services provided are contemporary, understood, and are moulded to the individual needs of Legatees.

None of these support services come cheap. Along with all the associated costs with having a successful NSW Police Charity, Police Legacy continues its challenge to raise funds to ensure the success achieved to date is continued.

As Retired Police and beneficiaries of Police Legacy, we should support this worthwhile charity. If, like me, you are in receipt of a pension, fortnightly deductions can be arranged through State Super, direct to Police Legacy. If not, please access the website policelegacynsw.org.au, email info@policelegacynsw.org.au, or phone (02) 9264 1311. You may also want to consider a gift in your will. For more information, go to: bit.ly/nswpl-gift

Hopefully, this article has cleared some misconceptions about the coverage of NSW Police Legacy for retired and medically retired Police Officers. As previously stated, this is our Police Charity, placing great value on our collective service and sacrifice, as it should. Additionally, it keeps alive the notion of the Police Family and the memory of those who have gone before us.

We Remember Them

CENTRAL COAST

What a wonderful autumn it has been and it is so fortunate that, in this part GREETINGS TO ALL MEMBERS.

On the Central Coast we have been fortunate to have enjoyed a wonderful autumn and winter, with only the occasional spasm of wind – and, yes, some rain, to spoil it. If only that element of bliss could be applied to the rest of the world with humans perishing in their thousands at the hands of merciless invaders. And, if the world is not in enough turmoil now, can we even imagine what it will be like once the American presidential election ramps up – without even imagining what it will be like when it is actually finished. In the meantime, make the most of every day. Each day is a gift and we should keep those closest to us always in our minds if not in close presence. The Central Coast is a gifted area. We should make the most of it while we are here.

The Branch Meeting was held at the Ourimbah RSL Club, Ourimbah, on Tuesday, 20th August, 2024, commencing at 11 a.m., chaired by **Chairman Geoff Talbot**. A summary of the matters dealt with at the Meeting is set out hereunder.

The following Members, wives and partners were in attendance.

Neil Ashman, Father Jim Boland and Carmen, Peter Caddy, Ernie and Bev Carmichael, Barry and Marj Clark, Bill Connors, John and Joan Corbett, Neil Dick, Peter and Anne Drinan, Bruce and Jan Gibson, Ray Hatcher, Keith Hockley, Bede Irvine, John and Anne Kent, Brian McVicar, John Marheine, John and Noelene Nicholas, Chris Olen, John Roger, Phil Stubbs-Mills, Geoff Talbot, Russ Whitcher.

Dick Whittaker & 93yo Quentin Anthony

The Chairman, **Geoff**, extended a warm welcome to **Paul Wynne**, President of the State RFPA and Editor of the Police Gazette, and **Sandra Benson**, Paul's wife and Sub-Editor of the Gazette, and **Ian Lovell**, Secretary of the RFPA. It was pleasing to see them attending our Meeting. Geoff also extended a welcome to our guest speaker, **Quentin Anthony**, and to **Dick Whittaker**, who brought Quentin to the Meeting and who has previously been a guest speaker. Geoff also welcomed the two serving officers who attended, **Chief Inspectors Paul Nicholls and Colin Lott**, from the respective local Police Commands. He also welcomed the visitors who also attended the Meeting.

The Welfare Officer, **Barry Clark** reported that the following are not feeling too well and a phone call is always appreciated - **Trevor Carroll** was in hospital in Sydney having specialist treatment for his throat cancer and also on the mend are **Peter Caddy and Bill Ide**.

We had a great roll up at The Entrance Hotel for a wonderful lunch on Wednesday, 24th July, 2024. See photos.

Chairman **Geoff** informed the Meeting that he had attended the Annual General Meeting of the RFPA, held at Club York, in Sydney, on 29th July,

2024, and had a copy of the financial report from the State Branch should anyone wish to examine it.

Geoff also told the Meeting that he and **I.J. Toms** had attended the funeral of the late **Greg Ashurst** and that he had attended the funeral of the late **Graeme Williams** and, on the day before the Meeting, had attended the funeral of the late **Glen Marks** and had caught up with Paul Smith who had been in the same class as Glen Marks. Geoff said that memorial sashes had been given to the families of all the deceased personnel.

Bruce Gibson informed the Meeting that **Bill Galvin**, now long retired and living at Noosa, is suffering serious illness.

Peter Caddy wished to thank all those Members who rang him while he was in hospital. He said that he spent 5 weeks in hospital while doctors attempted to find out what was causing his intense pain, the problem being like a time bomb in his spine. He said that receiving a phone call when you are hospitalized for a long period is very helpful.

GUEST SPEAKER

Our guest speaker at this Meeting was **Mr Quentin Anthony** who was introduced to the gathering by **Mr Dick Whittaker**. Dick has an extensive background as a meteorologist and has previously been a guest speaker at one of our earlier Meetings. In fact, Dick brought Quentin along to the Meeting.

Quentin, who told us he was born in Sydney in 1932 but certainly does not look that age, said that he lived with his parents in Papua-New Guinea during his early years, his father having been a World War I veteran, but was involved in World War II when the Japanese invaded Rabaul in January, 1942. He said that his father was a survivor of that invasion, escaped through the jungle and gathered a group of stragglers who later escaped on a small boat, under the noses of the Japanese, and eventually reached Port Moresby. In his later years, Quentin became involved in policing and security activities in Papua-New Guinea and he provided numerous anecdotes associated with his work in the land which is so close to our shores.

Those present would have certainly appreciated **Quentin's** outstanding talents as a speaker and he most definitely lived up to the accolades given by those who had seen him before

COFFS HARBOUR

Hello Coffs/Clarence RFPA members, Hoping that this Newsletter finds you all well. I am currently in the Ipswich Shire in Qld, welcoming my newest granddaughter into the Heskett clan. She will be the 5th addition to my tribe which I stand as the Tribal Elder. She is beautiful of course. Our last get-together on Tuesday/20th August saw us gather at the Old Butter Factory at Bello. It was a great day with good company. I thank Natalie for facilitating this social event for our group.

On the 5th September, myself with other members attended RFPA Friendship Day. We gathered at Coffs Harbour Police Station in Lyster Street, which is now turned into a Training Facility used by Police in the Clarence District.

Our new Editor **John Hartley APM** has the goss on this, which he will cover below.

The next function on the 24th September, I attended Silvios Restuarant in the Park Beach Plaza for Coffee with a Cop. **Barry Walker, Doug Tysoe** and I attended, where we spoke with local police. It also gave me an opportunity to catch up with **Supt Joanne Schultz APM** the Commander of the Coffs/Clarence Police, where we discussed closing the gap between us retired and former Police and current serving local police.

On Friday/27th September RFPA members together with current serving members gathered to commemorate National Police Remembrance Day at the Anglican Church in Coffs Harbour. Our Editor has more information on this. I thank John Hartley APM for stepping up in my absence, and also **Anthony (Tony) Lawler**. A Wreath was laid, and bible reading were conducted by these 2 x gentlemen.

Thank you to all members that attend our RFPA functions. I don't know where this year has gone. HUNTER REGION

We've been about a bit in the last couple of months. The Committee has some 50 old coppers turned out at Muree Golf Club, Raymond Terrace, for 2024 Retired Police Day arranged for Port Stephens Hunter Police District. Plenty of old faces and a few new ones were greeted by support staff, the HWP supervisor, duty officers from Maitland, Raymond Terrace and Nelson Bay, and 'The Bear' now in his 45th year of NSWSP service and showing no signs of giving up.

Hunter branch meeting

Wayne's presentation was an eye-opener, with bare facts and statistical analysis surprising some of us. Anecdotal information regarding outside agencies' views of what police have to do with domestic violence was instructive. This is clearly a major task which has risen in importance to levels we didn't expect to hear about.

Mick JOHNSON was with us, and was determined to meet up with his old workmates. Not in the best of health, Mick enjoyed his day out, and did some verbal sparring with a number of us who hadn't seen him for a while. We managed to get some new recruits for the RFPA, with two of them having paid into the account for membership before I got home.

The Ron FIRTH trophy for Port Stephens Hunter Police Officer of the Year was presented to **Constable Michelle CHANDLER** of Karuah by Ron's daughters, Michelle and Kate. This has become a tradition after the prize was reinstated by **Supt Chris CRANER** several years ago, and is keenly contested, with all three finalists there on the day after a peer selection process. Runners-up were two Raymond Terrace detectives, **Adam WAITE and Brearne CALLAGHAN**.

.....

Retirees from the Southern half of our coverage area saw a very interesting presentation at Club Macquarie, courtesy of Lake Macquarie and Newcastle Police Districts. As Hunter locals (and many from afar) would know, the Port of Newcastle and railways leading to it were paralysed recently by protesters.

The 'protesters' ('saboteurs' more correctly described in our minds) closed the coal supply chain and all shipping for several weeks. Disruption to commerce was widespread when a flotilla of some 300 plus kayaks jammed the harbour, and the policing operations surrounding all this were explained to those in attendance.

With the serious stuff behind them, all enjoyed the excellent catering and socialising that characterises Retired Police Day, and Club Macquarie's close connection with the RFPA. Some indicated that they would like to gather in numbers more often, and were offered the RFPA regular hospitality and membership forms.

Bob GRAY thanked the presenters for allowing us to be involved, and have a most topical and complex set of plans devised by those still serving our area shared with us oldies.

Officer of the Year Const. Michelle Chandler

Photo shows the late Inspector Ron Firth's daughters **Michelle and Kate** presenting **Constable Michelle Chandler**, OIC Karuah Police Station, with her Officer of the Year Award, selected by her peers. **Det. Supt Wayne Humphrey** gave **Const Chandler** high praise for her ongoing efforts

MACARTHUR

A great day and experience was had with the visit of the Macarthur RFPA to the Police Aviation Command on 13/09/24.

Our visit coincided with the attendance of the NSW Marine Rescue whom also made the day memorable.

S/Constable **Ian Bennett** gave a presentation that differentiated the old Airwing which was newly formed in 1979 that has evolved into a modern working Police Unit that incorporates with Rescue, Surveillance, Tactical Response, assisting with car pursuits and the arresting of offenders. The departure and arrival of the Police Helicopters whilst lunching on a BBQ was also another highlight of the day.

MID NORTH COAST

Our Christmas in July luncheon was held at the Wauchope RSL. Again in was an excellent meal as is always the case. Those in attendance were **Marlene Brown, Jennett Hunt, Ian & Ian Campbell, Graham & Irene Williams, Rick & Marilyn Walton, Ron & Desley Nunn, Paul Egge, George & Jan McCleery, Bob & Helen Hanlon, Al Lukes, Jeff & Margaret Elliott, Laurie & Marcia McGrath, Bruce Saunders & Denise Huntley, Garry & Anne Jennings, Jim & Sandra Cranna, Sid Crane & Kerry Bolsover and Betty Hartnett & Peter Wilms.** We also welcomed **Peter McDonald** from northern suburbs branch who said he had an excellent day. **Marlene & Jennett** again did an outstanding job in organising the lucky door prizes with almost everyone going home with something. Such is the quality of the meal they serve us every time we go there we resolved to again hold our christmas luncheon there in december. A great day was had by all.

Our August meeting consisted of a coffee, a cuppa and a chat for an hour at the Port City Bowling Club and we then walked up to the new Port Macquarie PCYC which opened only a month ago. Those in attendance in the attached photo are (l to r) **Ron Hammersley, Wayne Evans, Bruce Saunders, Sid Crane, Val Ivlev, Helen Hanlon, Trish Affleck-Mooney, Rick & Marilyn Walton, Irene Williams, Margaret Elliott** (seated, arm in sling) **Erin Perkins** (PCYC) **Margaret Hammersley, Graham Williams, Al Lukes, Laurie McGrath** (seated), **Jeff Elliott, Bob Hanlon, Marie McGrath and Ian Campbell & Ron Nunn** seated at table.

We were met by the club's manager, **Erin Perkins**, a lovely young lady who was a schoolteacher at the Port Macquarie high school (next door to the PCYC) and on whose land the club was built. After giving us an introduction about how the new club came into existence she took us on a guided tour of the two levels. And what a state-of-the-art set up it is. Two full-size basketball courts which are multi-purpose and can be converted to futsal pitches and many other uses. There is a very large area dedicated for gymnastics. A large room used for yoga, judo and a wide range of other sports and a really large gymnasium with all the bells and whistles in the way of weights, walking and other exercise machines. They also teach boxing and a wide range of other activities we all associate with the PCYC movement. The original Port Macquarie PCYC closed at least 10-12 years ago so this new one is a very welcome addition for our area. **Erin** told us the initial use of the club has exceeded expectations. We all wish the club well for the future.

Marlene BROWN (L) and JENNETT Hunt.

MURRAY RIVER

On Wednesday 19 June 2024 the Murray River RFPA attended the Cake Cottage in Macauley Street, Albury for a coffee and chat. The very tasty morning tea included cakes, slices etc., delicious coffee and friendly service. In attendance were **David Graham, Max Merkel, Ken Zegiel, Paula Zegiel, Robyn Pollard, Warren Mitchell, Audrey King, Lyndelle Tubie, Christine McEwan, Roland Kubank, Jan Callaghan, Annie Prancus Smart, Graeme Stephens, Louise Stephens, Debra Hargreave and Ray Waring.** Unfortunately, a few were unable to attend due to COVID, the flu and holidays. A pleasant morning tea was had by all.

We held our Branch AGM and elections for 12 positions on the 20 July 2024. There are a number of members that were re-elected and also some new faces that put their hands up. One for Social Secretary and others for our welfare positions which we now have 3 welfare officers.

New welfare procedures are now being developed by the team including the welfare officers being trained in Mental Health First Aid as this is a big issue in this job. The only position not filled at the time was Vice Chair and that has now been filled at our last meeting by **Phill Eddes.** After the meeting we had a lovely lunch at the Thurgoona Golf Club

Murray River Branch of the RFPA had a lovely coffee and chat at a new location Nannina's Cafe in South Albury on Thursday 1 August 2024. The great thing about creating our events on Facebook is that our former colleagues on our group know where to go and when....so I walked in 15 mins early with **Lisa Ride** and there was already a young lad sitting at our tables waiting for us....so welcome **Noel Radburn** to our coffee and chat. **Noel** was down from the Central Coast unfortunately for a funeral but able to pop in for a coffee and see some of his former workmates from Albury. We worked together in Eastern Suburbs District back in the early 1990's when he was at Malabar Police Station and I was at the district office at Daceyville. In walked **Christine Bentley** who knew **Noel** really well from when she worked in the Detectives Office with him at Albury for many years..

FEATURE ARTICLE MURRAY RIVER RFPA CANCER FUND RAISER

On the 6th April 2024 Murray River RFPA held a Shitbox Rally Fundraiser for the Cancer Council at Cafe Borella's, Albury. **Scott & Simone Russell** participated in the first Shitbox Rally in 2019 in their car named "Carol" the Corolla, thinking that they would do just one....now a few years later, they are about to commence their 5th rally this Wednesday which is a rally from Adelaide to Perth. **Scott** is an Inspector at Murray River District.

We had several of our members attend where we conducted a raffle that in the café. Owners of Cafe **Borellas & Peards Nursery** donated one of the prizes as did others plus donations received. So a huge \$811 was raised for the Cancer Council Research.

L-R Front to Back. **Beth Docksey, Robyn Pollard, Scott & Simone Russell, Chris Bentley, Warren Mitchell, Nigel Horne, Jim Caldwell, Graham Docksey, Louise & Graham Stephens, & Kel Clowry.**

NEW ENGLAND

The New England Branch of the RFPA and others were hosted on Retired Police Day by **Superintendent Chris McKinnon** Commander New England Police District at the Armidale City Bowling Club. Following our regular meeting we were given an informational update on all things policing related in our area by **Sgt Chris Pieterse.** **Superintendent McKinnon** provided lunch, which was much appreciated by all those that attended.

At our meeting **Monty Ehsman** was presented his Veteran Membership Certificate, whilst Retired Armidale Police Inspector **Matt Lynch** was awarded the 2024 New England and Northern Inland Volunteer of the Year, for his commitment and dedication to supporting young people as a mentor, coach, driver and cook with youth support group BackTrack at a separate function following.

NORTHERN BEACHES

On Thursday, March 21st, our branch held a lively meeting at Manly Leagues. On July 25th we held our AGM at the Dee Why Bowling Club with 37 in attendance. The usual team of champions was re-elected. **Dave Whiteman – Chairman, Brian Friend – Vice Chairman, Alan Le Surf – Secretary and Bill Bush – Treasurer. Dave DREW, Garrie WATT and Alex VOGT were elected to our branch Committee of Management. Liz Whiteman is our Social Secretary. Julie Bertoldo and Ian Finlayson** are the Branch Reporters. Ian Finlayson stood in as Returning Officer for **Brian Inman** who has been our Returning Officer for many years but due to medical issues was unable to this time. Thanks to our Auditors, **Allan Hines and Kevin Monckton.**

Our wonderful Welfare Team are continuing their good work keeping an eye on our members. They are the best in the State comprising **Barry "Scooter" Miles, Geoff "Jellybeans" Kay, Brian Friend,** and of course **Margaret Kay** who, despite her own medical issues, managed to send Condolence cards and Get Well cards as needed. Our Grief and Bereavement Officer is **Deb Anderson,** the only dedicated and qualified Bereavement Officer in the RFPA. The Welfare Team have been run off their feet looking after our members with quite a few members doing it tough; **Margaret Kay, Paul Sheehan, Allan Hines, Neville Behagg, Oscar Taylor, Brian Inman, Ian Finlayson, Jim Boon, Ted Callandruccio, Col Fitzroy, Warren Chambers, John Gibbons, Warrick Wharton, Graeme Ferguson, Adrian Compton, Brian Breedon and Brian Friend.**

A great roll up with the following members attending the AGM; **Dave WHITEMAN, Alan Le SURF, Garrie WATT, Bill BUSH, Jan KEECH, Alex VOGT, Margie VOGT, Liz WHITEMAN, Jeff BRADY, Chris PRESCOTT, Ian FINLAYSON, Greg THANE, Brian GATELY, Col & Jenny COLMAN, Oscar TAYLOR, Deb ANDERSON, Margaret KAY, Barry MILES, Harold HANLEN, Sean ELLIOTT, Geoff KAY, Bob PINFOLD, Brian FRIEND, David DREW, Belinda SNEL, Darryl DONNELLEY, Julie BERTOLDO, David COLE, Bill & Irene MCINTOSH, Bob LINNEY, Bruce SMITH, Bill EYLES, Tony WRIGHT, Anne MULLINS and Bill "Noddy" WILLIAMS.**

Chairman **Dave, Margie Vogt and Deb Anderson** added some sartorial elegance to the proceedings showing off the winter Branch uniform collection. The judges are still out on whether it will make it to the next winter collection.

Our guest speaker was **Dan Giles** from Easylink Community Transport. This talk was of special benefit to those members who reside on the Northern Beaches and may need point to point transport to go out shopping or doctor's visits. They also have shuttle service to the Lower North Shore to RNSH and Mater Hospitals. The cost of the service is about 20% that of a taxi. If you missed the talk and want more info speak to **Margie Vogt** or one of the welfare or committee members.

We adjourned to the bistro for lunch and the poor chef was a bit overwhelmed by the large number of hungry members and associates.

On 20 August the Northern Beaches Branch held a casual lunch at the Terry Hills Tavern. It was a resounding success with 30 members and friends attending for good company, laughter, delicious food and a few drinks. Our resident bard, **Oscar Taylor, aka 'Rumpole of the Beaches'**, was in fine form with his usual wit and humour. Also present was Bob **'The Snake' Inkster**, and a new Associate RFPFA member, Jan Keech. We welcomed a friend of **Dave Whiteman, Sonja Breckenridge** – she is a talented photographer who has twice won First Place at the Royal Easter Show photography competition! **Greg Bertoldo**, brother of Julie Bertoldo, is a member of the Hornsby branch and he was also warmly welcomed by

members. We will be planning more of these get togethers as members enjoy them and it is great to catch up in the month that there is no general meeting. Lea and Dave DREW brought along a very very long term potential member.

Some of the members who enjoyed the lunch at the Terry Hills Tavern. **Bob "The Snake" Inkster, Bob Lilley, Greg Bertoldo, Geoff "Jellybeans" Kay, Brian Inman and Oscar "Rumpole of the Beaches" Taylor.**

Winter has not been a good period for us with a few members passing; **Richard Harold (Dick) Filmer, Breck Scott-Young** who was Manly STP and whose brother Rod was in the job, **Bob Belford** an old 14 Div stalwart **Aub Thompson** aged 99 years.

On the 28 June the funeral service of our Centenarian Northern Beaches RFPFA Member, **Aileen Wheeler**, 100 Years old and Police Woman No. 21 who joined the NSW Police in May 1955. A Police Honour Guard was provided, and our branch was represented by branch Chairman **Dave Whiteman** (who read Aileen's Service History and presented the RFPFA Sash), **Liz Whiteman, Brian Inman and Deb Anderson**. Several apologies from our members were received.

The Northern Beaches PAC Retired Police Officers Day was held at Mona Vale Police Station and hosted by NB PAC Commander Superintendent John Duncan. About 40 retired and former officers attended, most of them NB RFPFA Members, and we were given a very informative outline of modern day policing technology by **Superintendent Duncan**. It was also pleasing to see several RFPFA veterans there as well as a couple of Police Widows who are keeping the camaraderie of the Blue Family alive.

In the next Gazette, we will report on our Mona Vale 'Retired Police Officers Day' being hosted by the new **Superintendent John Duncan** and with a bit of luck we will have a few photos of members who attended the HWP Retired Police Officers Day at Huntingwood.

Stay Safe

NORTHERN SUBURBS (FORMERLY HORNSBY & DISTRICTS)

Some of us have witnessed the recent passing of former workmates including, amongst others, **Greg Ashurst** (Central Coast), **John Bruinenberg**, **Mick Tuohy**, and **Glen Meppem**. May they rest in peace. Our thoughts are with family and friends. Our loss certainly reinforces the need to stay in contact and our Association provides the opportunity to do just that.

Our August meeting was well attended, with our members keen to hear a presentation by lawyer/historian **Rod Best** on a double murder that occurred at Pennant Hills in the early 20th Century. **Rod** certainly knew his subject and enlightened us on social values from the era.

In attendance were (front row, left to right) **John Andrews**, **Kent Vild**, **Bill Johnson** and driver **William**, **Verity Greenwood-Graham**, guest speaker **Rod Best**, (second row) **Bruce Williams**, **Bill Shute**, **Peter McDonnell**, **Alan Doak**, **Les Potter** (third row) **Ross Beattie**, **Alan Pollock**, **Trudi** and **Warren Cole**, **Greg Bertoldo** (back row) **Tony Sneddon** and **Dave Louden**.

After an enjoyable lunch at Gerroa Fishermen's Club, it was back to Kiama for ice cream to have on the way home. **Thanks to the Blacktown RSL Sub-Branch** for providing their bus and special thanks to our driver for getting us safely there and back.

NOTICEBOARD

60 YEAR RE-UNION

Eight survivors from Class 100A recently attended a reunion organized by **Lance Williamson at Club York, Sydney.**

On 17 August 1964, Class 100A breached the curtilage of 749 Bourke Street, Redfern, to commence Initial Training at the NSW Police Training Centre.

It is believed that following the appointment of these newcomers to the Police Force, several of the law instructors had to retire medically unfit due to post traumatic stress occasioned by attempting to educate such a batch of trainees in esoteric and futile subjects, such as Police Practice and Procedure. Additionally, all photographs of drill staff after that graduating class traipsed off the parade ground shows those instructors with bald pates due to having pulled their hair out while demonstrating intricate marching techniques involving placing one foot in front of the other while swinging the arms in the other direction to the diagonally opposed legs.

All felt compelled at the re-union to recite the same anecdotes that were told at previous re-unions of their various triumphs, gaffes, and glitches while trying to administer justice within the criminal law system.

(back l to r) **Cliff Fraser, Peter Ross, Bruce Howe, Alan Doak, Greg Hickey & Bob Barnetson.** (front l to r) **Lance Williamson and Carl Cameron.**

Each one of those present declared that they would attend the 70th anniversary soiree to be held in 2034. Does anyone know the collective term for a group of optimists?

Bruce Howe
