PRESIDENT'S REPORT

Well 2023 has started for me with a very active Calendar:

Firstly in January I represented the RFPA at the annual **Granville Rail Disaster (Day of the Roses)** Memorial Service. Some 83 persons died and over 200 persons were injured in this disaster. This was the 46th Anniversary of the disaster and hundreds of people were there to pay their respects.

On the Thursday 4 February I along with my wife, **Sandy Benson**, State Secretary **Ian Lovell APM** and Senior Vice President **George Weissel** attended the Official Opening of **Grace's place** at Doonside. Grace's Place a project of the Homicide Victims Support is a world first Centre for care, support and counselling of children 3 to 18 who have been impacted by homicide. Sandy and I along with other Retired and Former Police have worked closely with the **Homicide Victims Support Group** for over 6 years to see this vision come to fruition. The Centre is named after the Late **Grace Lynch**, the mother of **Anita Cobby** and was a Foundation Member of the Homicide Victims Support Group.

The opening was attended by over 800 Guests, including Politicians from both sides, NSW Police Commissioner **Karen Webb APM** and NSW Governor **Margaret Beasley AC KC** who officially opened the Centre. There were many members of the RFPA attending who could be easily recognized by them wearing our RFPA tie/scarf.

On Saturday 6 February I again attended **Grace's Place** in relation to the **Ride For Justice** motorcycle event co-ordinated by Channel 9 Reporter and Grace's Place Ambassador, **Simon Bouda**. This ride is in its 10th year and raises funds for the Homicide Victims Support Group. The ride of over 200 motorcyclists commenced at and finished at Grace's Place where a BBQ lunch and other refreshments were provided.

Tuesday the 7th February saw **Ian Lovell** and I at a meeting with **Commissioner Webb** where we discussed a number of matters relating to the RFPA and its members. The meeting went for more than an hour and was positive in its outcome.

Monday the 13th of February I represented the RFPA at the **Annual Hilton Bombing Memorial Service** which was very well attended on the 45th Anniversary of the event. Former Senior Constable **Rod Withers**, a survivor of the bombing made an emotional address of his memories at being at the bombing.

In keeping with my intention to personally visit all of our RFPA Branches I went with **Ian Lovell** on the 21st February to Old Bar RSL where we met and spoke with the members of the Manning Great Lakes Branch. It is our intention to visit South Coast Branch in April.

In March **Sandy** and I along with **Ian Lovell** and Senior Vice President **George Weissel** will be attending **Police Friendship Week at Darlington Beach Caravan Park**, just north of Woolgoolga. This promises to be a wonderful week with **Charlie Halloran** again organizing and co-ordinating the event. I believe that this is the 23rd year that this event, formerly known as the Police Fishing & Friendship Week has been conducted.

Sadly in January two of our Committee Members resigned their positions. **Dave Whiteman** who has served the RFPA well for over 3 years resigned as he found his commitment was severely impacting upon his other activities. Dave served the COM well and his IT knowledge was instrumental in developing our new Data Base, Website and Facebook site. We are extremely grateful for his service and were very fortunate to have his expertise in IT matters to progress the RFPA. Dave has agreed to stay on as our Webmaster and of course is the Chairman of the Northern Beaches Branch.

The other COM member to resign was **Steve Turner** who since becoming a member of the COM has moved residence from the Riverina to Brisbane. He found that the tyranny of distance and cost of travel in attending our Sydney COM meetings difficult to continue in the role. We thank Steve

for his service and input into progressing the RFPA during his 2 years of involvement. Steve is now the Chairman/Secretary of the Brisbane and Northern Suburbs Branch and we know that as such the Branch's future is strong.

I wish all our members good health and happy days in retirement.

Until the next edition,
God Bless,

Paul Wynne JP

SECRETARY'S REPORT

President **Paul** and myself met with **Commissioner WEBB** on 7 February and discussed a number of issues related to our Association. Much of the discussion revolved around recruiting (for the RFPA) and how we can be better recognised as an organisation. [Further matters will be discussed in detail as we receive advice from the Commissioner and can implement proposals with corporate

support]

We have found that quite a few enquiries received as contacts on our website have come from former Police who believed they were Members of the RFPA, when in fact, they were not. Quite a few have since joined us. We see it as a problem when the simple distinction between the RFPA and the Police Association of NSW Associates is blurred. We are different organisations, with somewhat similar aims, but catering to different needs and by different methods.

On disengagement of any type, exiting Police are given a number of documents for formal purposes, and amongst them now is an **offer to join the RFPA**, along with advice on how to do so. This also happens with the PANSW, and an offer to join the Associates branches is included in the package.

In some parts of the State the two organisations meet as one, and have done so for some years. This is a good thing, and recently the acting President of the PANSW attended an RFPA meeting and discussed the advantages of such meetings with us.

What has stood out from these meetings and discussions are the facts that Police exiting the NSWPF are younger than most of us were when we left, that they were not engaged in life-long careers in many cases, are not covered by the familiar Hurt on Duty arrangements of days past, are highly likely to pursue another career soon after disengaging, and in such cases, they are not amenable to daytime socialising and formal meetings because they are working. Some thought has been given to weekend meetings, which are regular in the Brisbane and Northern Suburbs Branch. Some of our RFPA meetings are formal, others informal, and quite often they alternate. Whatever suits various Branches is encouraged, with a view to increasing participation.

We can offer Welfare services on a referral basis through some very active agencies, and in particular **Emerge & See**, which is developing a very successful network of professional services to help former Police through the sometimes-difficult period after they leave the job.

We are not able to offer legal advice or financial assistance. The fees we collect from Members are applied to pursuing the Fellowship, Welfare and Friendship creed on which the RFPA is based. The PANSW has significant resources and extends the application of them to legal advice and assistance to their Associates after they finish work, as well as the day-to-day activities of protection of their members' working conditions while still working.

Hopefully, you will see in the near future the introduction of RFPA prizes at Graduation Parades, Region Award presentations. We are asking our members to obtain RFPA ties and similar items for wearing on official occasions. The opening of **Grace's Place at Doonside** recently was a shining example of where RFPA representation was clearly observed and commented upon, as the **Governor of NSW, Her Excellency Margaret BEAZLEY AC KC** officiated.

No fewer than four of our members were actively engaged in planning, designing, fund raising and the building right from the outset of the "idea" some 6 years ago. This is a world first Residential Trauma centre for the children who are affected by homicide. The counselling (age specific), residential facilities, food, beds, fun activities, social outings etc. are all FREE.

The names **Sandy BENSON, Paul WYNNE, Gary RAYMOND, Deb WALLACE, and Naomi BALDWIN** should be remembered for their untiring efforts since 2016 (and before) to make Grace's Place a reality. The RFPA brand was highly visible on the day, with many of our members dressed appropriately, and standing out in the 800+ crowd.

I have placed a burden on local Branch Secretaries, giving them all accurate records of the Members' addresses, emails, payments made and other notations made for the purpose of communication and providing welfare and similar service when required. This has been a major source of updating our database, which had been diminished in value when addresses have changed and we were not informed. That led to breakdowns in communication and misunderstandings where information had not been received when sent in good faith. Gazettes had not been received, and some 150 have now been restored thanks to the Branch Secretaries being on the job. We owe them for the work they do voluntarily and often.

Membership card printing has re-commenced with the purchase of a card printer and the abandonment of the previous card supply arrangements. As previously indicated, cards will be provided for new Members, Veteran Members and Honorary Members, and if anyone else requires a new card, they will be printed and posted on request at the nominal cost of \$10 until Australia Post again raises the cost of posting them. Printing is now in-house, so the cards will arrive as soon as they can be processed and posted. Arrangements which may enable the inclusion of Membership cards in electronic wallets are being investigated.

As this goes to print, some have already arrived at **Friendship Week and Darlington Beach Resort, Arrawarra**, where the happy campers/motel guests will enjoy the delights of Northern Rivers Branch team headed once again by Charlie Halloran. **This week has evolved into one of the best Friendship and Fellowship events we have in the RFPA calendar.** See you there soon.

Meanwhile **Beth DOCKSEY** has arrangements in hand for a similar event to be held in the south of the State, in the vicinity of the Hume Weir, later in 2023. Check the Murray River Branch webpage on our website for developing news.

EDITOR'S REPORT

We receive many photos, which, because of their significance, are worthy of being on the front cover of this Gazette, however sometimes the quality of the photo cannot be reproduced effectively. Having said that, I am consistently pleased with the improved quality coming to the Editor – who said "we oldies" cannot "learn new tricks" . So if you have a

momentous occasion that you believe should be on the front cover, take a bit of time with the photo, the lighting, the composition etc and who knows, we may see your smiling face adorning our Gazette Cover. Happy snapping to all and keep the stories and pics coming in.

State Welfare Officer.

WELFARE OFFICER'S REPORT

As we age there are many incidences of sickness or injury and one of the main tasks of our RFPA is to administer WELFARE. Some members face a longer than normal stay in hospital with serious injuries. One retired officer from Tamworth, was unfortunate to have had a fall from a horse, resulting in serious

injuries, and has been transferred to Royal North Sydney Hospital where he is undergoing treatment. Once again, I stress the need to be careful with what we do and take care with ourselves.

I again remind members to let their local Branch Welfare Officers know of anyone who may have members who are not well and need a friendly visit or phone call, I would be happy to assist to back up the fine work our Welfare officers at branch level are doing.

LETTERS TO THE EDITOR

Dear Editor,

In the Summer 2022 edition of The RFPA Gazette, I note that the State Committee of Management has taken on the maintenance of the Local Police Memorial at Eastern Suburbs Memorial Park (ESMP), Matraville.

What a wonderful gesture. Would it not be great to see this example flow on through the entire state with local branches putting up their hands to assist Police Commands in the maintenance of any police graves and memorials in their respective geographical areas.

I did note that in both the articles regarding the ESMP Memorial, it was stated that the 27 police and 4 colonial troopers recorded on the memorial are interred in the adjoining cemeteries now encompassing ESMP. This is incorrect, as only eight (8) of the names recorded are located there, along with the four (4) colonial police. The Memorial was created in 2015 to honour those killed on duty within the former Botany, Maroubra, Waverley and Rose Bay LAC's rather than only those interred at ESMP.

The eight with a link to ESMP are:

- **GILFEATHER, Lindsay Vincent** - (Cremated – Ashes Collected)
- **HERNANDEZ, Juan Carlos** (Cremated - Ashes Collected)
- **MACAROUNAS, Themelis (Tim) Arthur** - Grave
- **MALONE, John Hawkes** - Grave
- **McENTEE, John Joseph** - Grave
- **OLIFF, Eric Peter** - Ashes Interred in Niche
- **POSTMA, Mark Ian** - Grave
- **STEVENSON, Reginald Hugh** - Ashes Interred in Niche

The remaining 19 Police recorded on the memorial are interred as follows:

- **BELL, Owen Edwin** Waverley - Grave
- **BREMNER, James** Waverley - Grave
- **HUSH, Joseph John** Waverley - Grave
- **MacDONNELL, James** Waverley - Grave
- **MURROW, Henry Stark** Waverley - Grave
- **SUTHERLAND, David** Waverley - Grave
- **WOLGAST, Frederick William** Waverley - Grave
- **CARMODY, William Matthew Patrick** Randwick - Grave
- **PORTER, Noel Ainsworth McCarthy** Randwick - Grave
- **HEFFERNAN, Dana Therese** Woronora - Grave
- **LORD, William John** Woronora - Grave
- **AHEARN, Victor Donald** Rookwood Anglican - Grave
- **ALLEN, Norman Thomas** Rookwood Anglican - Grave
- **ANDREWS, Ernest** Rookwood Anglican - Grave
- **MURPHY, Duncan Hughie McCallum** Rookwood Anglican - Grave
- **PATCH, Allan Boyd** Tweed Heads - Grave
- **DALEY, Geoffrey Joseph** Sandgate - Grave
- **RIXON, Wayne Allen** Bega - Grave
- **McENALLAY*, Glenn Edward** Tuncurry - Grave

[* incorrectly spelt on memorial]

Since the official opening of the ESMP Local Police Memorial, the following Police interred at ESMP have been added to the NSW Police Honour Roll but are not recorded on the Local Police Memorial:

- **HILL, Morgan James** (Ashes in Grave) – Suicide at Malabar

Additionally, the following NSW Police are also interred at ESMP but are not listed on the Memorial or NSW Police Honour Roll:

- **GRAY, George Herbert** (Grave) – Suicide at Kingsford
- **McGILL, Andrew** (Ashes Scattered) – Collapsed at Alexandria Police Garage
- **REA, Thomas Gordon** (Ashes Niche) – Collapsed at CIB (Vice Squad)
- **BREEN, Jeremiah** (Grave) – Suicide at Coogee Beach
- **SHENNAN, John Thomas** (Grave) – Suicide at Murwillumbah

The four (4) Colonial Police mentioned on the Memorial are buried at ESMP having been reinterred there (Bunnerong Cemetery*) after the reclamation of the Sydney Burial Ground (Devonshire Street Cemetery) in 1901 to extend Central Railway Station. They are:

- **DUNN, Luke** (Grave no longer exists) – Burnt in Bushfire
- **KIRK, Stephen** (Grave no longer exists) – Burnt in Bushfire
- **PROSSER, Peter** (Grave no longer exists) – Beaten to Death
- **CONNELL, John** (Headstone in Pioneer Park) – Beaten to Death

[*Bunnerong Cemetery no longer exists and in 1972 was absorbed into Botany Cemetery and by the end of that decade all the land apart from what is now Pioneer Park had been cleared for reuse as lawn cemetery].

Additionally, it has been determined that the following three (3) colonial police were also reinterred at Bunnerong Cemetery from Sydney Burial Ground:

- **BRYAN, Patrick** (Headstone in Pioneer Park) – Kicked by Horse
- **HAYNES, Joseph** (Grave no longer exists) – Beaten to Death
- **McKENNA, Christopher** (Grave no longer exists) – Drowned.

Research continues and it is not unreasonable to believe that further colonial police who were initially buried at the Sydney Burial Ground will be found to have been reinterred at Bunnerong.

Finally, can I ask all members of the RFPA of NSW to consider devoting some time in the week leading up to Police Remembrance Day each year to visit any police graves and memorials in their local area and if possible, perform a tidy up and advise any maintenance/repairs that might be required to the relevant Command.

I can report that I have already been approached by an officer from Eastern Beaches PAC seeking the location of all graves in that geographical area so they can be prepared for Police Remembrance Day 2023. The first time in the almost 20 years I have been researching police graves for such a request, but hopefully not the last.

Kindest Regards

Ken Medway

GOOD OVER EVIL

- By Martha Jabour OAM, Executive Director of HVSG

Reproduced (in part) with kind permission of Simon Bouda AM, editor of the Australian Police Journal

THE BEGINNING

In June 1993, after the brutal murders of their daughters, the parents of **Anita Cobby and Ebony Simpson** were introduced to each other. They immediately recognised the genuine need to set up an organisation that could offer counselling, support and information to families and friends of homicide victims throughout NSW.

Paul Wynne and Garry Heskett who was a lead investigator in the Anita Cobby and Ebony Simpson cases

It was after this meeting that the counselling section at the Institute of Forensic Medicine started to work with family members to introduce the concept.

The result was the formation of the HVSG.

GRACE'S PLACE – THE TIMELINE

The first visit to the proposed Grace's Place site occurred in February 2016 when about 20 HVSG staff, police officers, supporters and local officials travelled out to Doonside, NSW; a suburb of the Blacktown Local Government Area.

Hugh McDermott Member for Prospect, Gary Raymond, Donna Davis, Parramatta Council, Stephen Bali Member for Blacktown

The land allocation resulted from cooperation between various state and local government agencies, Blacktown City Council and Western Sydney Parklands Trust.

It was the starting point in this remarkable journey.

As we reflect on the many marvellous and generous people that have contributed (in any form) to make Grace's Place a reality, there is one person above all others that made this dream come true: **Jeff Sahyoun**. He deserves special recognition and my eternal gratitude goes to **Jeff Sahyoun** and his two companies, **Sirius Consolidated and Jasara Construction**, as his fantastic staff are responsible for the beautiful buildings and surroundings that make up **Grace's Place**.

Grace's Place

THE STARS ALIGN

It was just by chance that Jeff came into my life at precisely the right time. The stars were definitely in alignment, or perhaps it was a 'divine intervention'. Nevertheless, enter **Sandy Benson**, who is another of our superstar volunteers and has been continually helping in various ways on committees and volunteering in support of **Grace's Place**. Most importantly, she also worked for **Jeff Sahyoun**.

One day in the office, **Sandy** recalled to **Jeff** her experience attending a recent, major fundraising function at Blacktown Workers for **Grace's Place**. **Sandy's** partner, former police officer **Paul Wynne** worked on the **Anita Cobby** fundraising raising committee. She shared with **Jeff** the dream that was **Grace's Place** and HVSG. Soon after, I met with **Jeff Sahyoun**.

Sandy Benson Martha Jabour Naomi Baldwin

His generosity was immediate and, at the end of the meeting, **Jeff** made a considerable donation towards the construction of **Grace's Place**. **Jeff** asked what else he could do and when told we needed a builder, **Jeff** put his hand up to take on the job of building **Grace's Place**. It was as quick and as simple as that. He will forever be in our hearts for his generosity and hard work.

Over the past 10 years, one of the most significant fundraising and awareness campaigns has been the annual Ride For Justice, organised by **Simon Bouda AM**. It brings together people within the emergency services, police and ambulance officers, firefighters, doctors, nurses, members of the judiciary, family members and friends of homicide victims to go on an epic ride that **Simon** plans to raise awareness of the plight of homicide victims.

There have been so many other generous supporters, including community groups and their continual fund-raising projects. There are too many to name, but we find that when people give without any expectation then they should be named. Fundraising events and other similar functions have continually been held with great success as well. With further generous support, we have been running a second-hand shop in Parramatta named **New Leaf** which is really starting to gain traction and is proving a good source of income towards **Grace's Place**.

THE OPENING

Simon Bouda AM, Ambassador for **Grace's Place**, was the MC for the Opening Ceremony on 2 February 2023. The dream was now a reality.

Simon Bouda AM, Graces Place Ambassador & MC

Grace's Place was declared open by Her Excellency **Margaret Beazley, AC, KC**, NSW Governor who participated in the cutting of the ribbon. The event was attended by 800+ persons including The Police Commissioner, **Karen Webb APM**, members of all political persuasions, (Federal, State and Local) and other dignitaries.

All children affected by homicide, no matter where they live in Australia (or the world for that matter), would be most welcome to come and take advantage of this beautiful facility and the magic I know it will create. All the services of the HVSG are there and, at no cost to family members.

HEART 2 HEART WALK INTRODUCED BY EMERGE & SEE.

Recently at the State RFPA Committee Meeting we had two former NSW Police Officers, **Alana Singleton and Pia Schindler** make a presentation to the committee. Re the **Emerge & See Programme**.

Emerge & See was founded in 2021 by these two medically retired NSW Police Officers, with lived experience. Their charity assists NSW & ACT emergency service workers (their members) with PTSD and their families. "We walk with you through the journey to heal the past and help you to... 'Emerge & See' a better future."

As part of their presentation they provided detail about the Heart 2 Heart Walk which **Pia and Alana** are on the planning committee. It is a long distance walk to raise awareness around First Responder Mental Health and Wellbeing including Suicide, Post Traumatic Stress Disorder and Premature Mortality. This walk was being launched at Parliament House the following week and an invitation was extended for representatives of the RFPA to attend.

The NSW Committee of Management of the RFPA determined that a liaison officer was needed to work with Emerge & See and **Beth Docksey** was selected by the Committee for that role. As a result Beth attended the launch of the Heart 2 Heart Walk at Parliament House in Canberra on 14 February 2023.

The launch was organised and supported by **Senator David Pocock** and the Heart 2 Heart committee with **Attorney General Hon Mark Dreyfus KC MP** addressing the launch event. Key note speakers, **Nicole Sadler AM CSC** Phoenix Australia, Retired Admiral from the Australian Defence Forces **Chris Barrie AC** Fearless PTSDNZ, **Senator Anne Urquhart** Federal Parliament, former NSW Police Officer **Allan Sparkes CV, OAM, VA, FRSN** all addressing the importance of the issue of mental health and the need to implement actions to address these issues. In attendance also were **Senator Jacqui Lambie, Dr Helen Haines MP**, representatives of numerous mental health support organisations & sponsors, Black Dog Institute, Lifeline, Beyond Blue, Phoenix, & Police Bank to name a few. NSW Police were represented by Assistant Commissioner Dean Smith, Capability Command, & **Superintendent John Klepczarek**, Queanbeyan District Commander in addition to many other retired and former police officers.

Heart 2 Heart organisers, a group of former and current serving Australian first responders, have and will continue to be working to raise awareness around first responder mental health and wellbeing, as well as working with these government officials, particularly with Senator David Pocock to have the 2019 Australian Senate Inquiry into First Responder Suicide, Post-Traumatic Stress Disorder (PTSD) and Premature Mortality Report with its 14 recommendations to be actioned.

The Heart 2 Heart walk will cover almost 3,000km commencing on the 1st July 2023 from Lambert Centre, near Finke NT (Heart of the Country) to Australian Parliament House, Canberra (Heart of Nation) via the National Emergency Services and Nation Police Memorials, on 28th September 2023, a day prior to National Police Remembrance Day. They will be walking through 39 townships with a total population of just over 433,000 people. Along the way they have numerous first responders support and community engagement events planned on the journey to champion their objectives and to raise awareness around the impacts of First Responder mental health and wellbeing of serving and retired (Veteran) First Responders and their families.

Heart 2 Heart Walk organisers invite the RFPA and its members to show their support by walking with them for part of the way to spread their message, but in particular they would love us to walk the final leg with them along Lake Burley Griffin via the Remembrance Memorials to Australian Parliament House on 28th September 2023.

Full details of this organisation and the walk can be found on the website.

Not sure about the rest of you all, but I've certainly had a busy few months, with my attendance at former close mate **Det/Chief Inspector Russell Oxford** send-off at Rooty Hill, and also **Sen/Const Bill Dowd** from Coffs Harbour Police held at the CEX Club. SEND OFF FOR Det.Chief/Insp Russel OXFORD

During May, I had the honour of being personally invited to **Russell Oxford's** send off at Rooty Hill. A Lot of you would remember **Russell**, who's a close mate of mine, and who I invited to our Coffs RPPA Christmas luncheon as my Guest Speaker in 2018, with his wife **Heather** (May she RIP).

He spoke on the investigation, arrest/charging and subsequent imprisonment of **Roger Rogerson** and **Glen McNamara** for the murder of **Jamie Gao**. His send off was an outstanding night with up to 250 guests in attendance for one of the true greats in the history of NSW Policing and Criminal investigation. His career spanned 40 x years with about 25 x years as a Homicide Investigator.

Further information has also been received that **Kevin/Anne GOLDMAN** have moved into a Retirement Village in the township of Largs near Maitland some 300kms from Coffs Harbour. They have family in that area. Being active and frequent long attendees to our meetings and social functions we will surely miss them both. Their new address

I spoke with **John SONTER** recently. **John** kindly wrote me a letter with a donation to our RPPA Branch. He cannot make it to any meetings or social functions due to his fulltime Carer Role with his wife **Ollie**, who has been suffering 6 x years with dementia.

On Tuesday/18th October, the following members gathered at the Jetty Foreshores for a sausage sizzle, laughs, and frivolity.

Garry/Suzanne Heskett and Liam, Hedley/Barbara Gleave, Tony/Sheila Brown, Murray/Judy Smith, Peter Chilton, John Reid, Natalie Salter, Sue Standen, Bob Jones, Tony Lawler, Sandy Fellows, Glen Lang with apologies from Ian & Sue Hodges, Barry Walker, Heather Moore and Ruth Boyd.

I had the wonderful pleasure and honour to present our wonderful **Barbara GLEAVE** Assistant Treasurer extraordinaire the wife of **Hedley** the award of the OBE. She is a very active lady and does not look a day over 70...

was proud to welcome a new member who showed up for the BBQ. Her name is **Natalie SALTER**. Former Detective Sen/Sgt. Now retired. She worked with some of my old comrades. It was a great catch-up over coffee and talk about our days in the job.

Hope this report finds you well and in good spirits

HUNTER REGION

We've had plenty happening in the Hunter in past months. Meetings and events have covered a wide area, with Club Macquarie at Argenton, Club Charlestown, Ozzie the Mozzie at Hexham, Cookabarra at Bobs Farm and a visit to the new Cessnock Gaol, Shortland High Security Unit at the invitation of Member Tony HONOR'S son, Nick.

The lovely **Mary SCAYSBROOK** finally received her Veteran Certificate from Sydney VIP visitor **John 'JAG' GILBERT**, who occasionally makes the long journey for the good company we offer. **Jim POWER** travelled all the way from his new HQ at Berry Park to receive his OBE on the same day. Club Macquarie provided their usual great cuisine and tranquil setting overlooking Cockle Creek. We'll be back, and probably for Xmas Lunch after the great spread this time around. Although the red eyes have been turned off on Ozzie (someone complained a few years ago that their child was frightened by them) he's still a spectacular 'Hexham Grey', and undoubtedly the biggest mosquito ever: He stands guard over Hexham Bowling Club, and is a landmark in the area. Great food was had by all there, and the talent scout (**Di HUTCHESON** in this instance) came up with an ideal venue. Even ideal is not 'best'. **Nick ARENA** agreed to open his (closed Tuesdays) Cookabarra establishment at Bobs Farm for our 14 Feb meeting. As suggested by the name, Cookabarra is the home of Barramundi, farmed on the property, which gave rise to Nick's 'Farmer of the Year' award. Farming of fish and vegetables in great balance with nature gives you the feeling that Nick's award was well deserved. Amongst our guests on the day were **Ian ALLWOOD**, acting President of the PANSW (a local resident and wise to the value available here) **Col and Clyne BRIDGEMAN**, **Mark VAUGHAN**, **Glen JENKINS**, **Bob and Betty KOPPMAN** and more than 30 other regulars at local social events and formal meetings, were there. A tentative acceptance had been conveyed to us by **Esma KANE** from **Tom LUPTON APM**, but unfortunately Tom passed away a couple of days before we met at Cookabarra.

There was a suitable tribute to the great man at our meeting. **Bob GRAY** and **Lee RANKIN** performed the honours for the day as the Chair was at the official opening of Grace's Place at Doonside. Google www.gracesplace.org.au what a magnificent facility, and several of our prominent RFFA Members (**Paul WYNNNE**, **Sandy BENSON**, **Deb WALLACE**, **Naomi BALDWIN** and **Gary RAYMOND**) were members of the original building committee for the entire building project. It's a world-leading facility and a great tribute to **Anita COBBY** and her mother **Grace**.

Coleen SHAW, **Mary SCAYSBROOK**, **Pauline KAYLEE** and **Stanley SMITH** with **Brian CARR** in the distance. In the background **Sue DALEY** and her guest **Sandy**, **Ian SAVAGE** and wife **Jeanette**

John WILLSON with three Pacific Dunes men, **John HURLEY**, **Glen JENKINS** and **Mark VAUGHAN** at the Bobs Farm feast

Bob GRAY and **Lee RANKIN**, our Hunter workers for the day, with **Ian ALLWOOD**, acting President of the PANSW, our official guest

...and on another sad note, we lost another great man in **Phil LLOYD**, who passed away early in December. Many a police officer owes **Phil** a debt, due to his ability to guide any kind of brief past the winning post. Salut, Pont and Bonnefin, and Sebulan Wat -v- The State. Lukim yu wantok. **Ann and Ben**, our hearts are with you.

For those who might travel our way, check out the webpage at retiredpolice.com.au to see where we are, and join us on the second Tuesday of every month, somewhere around the Hunter.

The February Meeting of the Macarthur RFPFA was held at the West Leagues Club, attending were

Allen Godfrey, Peter Gillam, Bob Barnett, Darrin Wilson, John Carroll, Gary & Judy Trick, Mark Doubleday, Les Green, Dennis Smith, Geoff McNevin, Mick Timms, Sonia Roberts, Robert Lawlor, Allan Moule, Tony Lamb, Joe Stanioch, Rob Thomsett, Peter Edwards, Steve Reeves, Ron Reuben, Jim & Karyn Johnson, Roger & Lorraine Ford & Gerald Kenneally (Sponsor)

Apologies from **Julie Turton, Steve Brent, Peter Barragry, Alan Randall, Shane Howard, Bob Hynes, Richard Cordwell, Wendy Walsh & Paul McDonald** were received.

This was our first meeting for 2023 and as a result augurs well for a very successful year.

Steve Reeves gave an up to date synopsis of our Charity Golf Day on 1/06/2023 with all golfing teams now finalised and sponsorship for the day progressing well. **Steve** also gave our Welfare Report with the good news that all outstanding matters have now been finalised and no further action is required.

David Hogan from Marsdens Law Group (Sponsors) was our Guest Speaker and did a presentation on the problems and pitfalls to Wills, Guardianship and Power of Attorney that made us all aware of our legal obligations in regard to these issues.

After the meeting the social aspect of the group continued with the greater majority staying for lunch.

MANNING GREAT LAKES

At our Feb meeting we were visited by State President Paul Wynne, State Secretary Ian Lovell and sub editor Sandy Benson for the meeting and lunch afterwards.

Cheers

Terry Tamplin
Secretary.

MID NORTH COAST

We met in early November at the Port City Bowling Club. Those in attendance were **Paul Griffin, Sid Crane, Paul Egge, Brian Banks, Jennett Hunt, Laurie & Marcia McGrath, George McCleery, Jim & Sandra Cranna, Betty Hartnett & Peter Wilms, Bob Bruce, Garry Jennings, Bob Hanlon, Bruce Saunders, Ian Campbell and Bob Parry.** Apologies were received from **Val Ivlev, Al Lukes, Graham & Irene Williams, Matt Reeves and Marlene Brown** (who was holidaying in Bali)

Our Guest speaker for the day was **Barbara Smith** who was accompanied by her husband **Laurie**. Both were volunteers at the 2000 Olympics in Sydney and since that time they have attended every Olympic Games and worked in a volunteer capacity. **Barbara** gave us a very interesting insight into life as a volunteer and some of the trials and tribulations she and **Laurie** have encountered.

Micky Foster & Laurie McGrath at one of our BBQ outings

Laurie, who went to Mexico City in 1968 and has been to every Games since, wrote a book titled "**Living is Giving**" following the **Sydney Olympics** and it sums up the volunteering experiences of many who contributed to the outstanding success of the Games here. He was kind enough to give everyone present a copy of his book. A very entertaining talk and we thank both **Barbara and Laurie** for giving us their time.

Keith Rule, Val Ivlev and Bruce Saunders at Xmas luncheon

December saw our members at the Wauchope RSL again for our Christmas luncheon. Always a great day and this year proved to be no exception. Despite a few late withdrawals because of Covid, medical appointments and other extraneous issues a good number of members enjoyed an excellent lunch, some fine table wine and a huge assortment of lucky door prizes.

Everyone received a prize and some lucky people two !! Thanks go to **Jennett Hunt** who does a great job getting all the prizes together and **Marlene Brown** who must cook for days getting the Christmas cakes, puddings and other goodies ready for the day. President **Al Lukes** wished all present a very happy festive season and thanked them all for their support of the Branch throughout the year. **Jim & Sandra Cranna** were sorry to miss the luncheon this year as they were celebrating their 60th wedding anniversary with a cruise over to New Zealand. All things considered things look very positive for our Branch as we move toward 2023.

Our first meeting for 2023 was in February was well attended and those present **Paul Griffin, Val Ivlev, Ian Campbell, Bruce Saunders, Jennett Hunt, Jim Cranna, Graham & Irene Williams, Jeff & Margaret Elliott, Marlene Brown, Al Lukes, Laurie & Marcia McGrath, Bob Bruce, Paul Egge, Sid Crane, Garry Jennings, Bob Hanlon, Matt Reeves, Brian Banks and Ron & Margaret Hammersley.** Apologies were received from **George McCleery, Ron Nunn, Keith Rule, Betty Hartnett & Wayne Evans.**

Sandra Cranna, Kerry Bolsover and Sid Crane at a very cold Lake Cathie BBQ.

After enjoying a coffee together before the meeting we then enjoyed a talk from the recently **appointed Community Safety Officer for the Mid North Coast Command, Senior Constable Tim Preston.**

Members Jeff Elliott, Graham & Irene Williams, Marlene Brown & Jennett Hunt enjoying a coffee pre-meeting

Tim gave us an update on what's happening crime-wise around our area. He highlighted the fact that Police are constantly targeting recidivist offenders and once they are taken out of play there is always a significant drop in the crime rate. **Tim** was unable to shed any light on the proposed location of the new Police Station that was approved and supposedly funded a couple of years ago but my comment is that, with the State elections in February and the potential for a new Government, I wouldn't hold my breath waiting for an announcement. Time will tell.

A shout out to **George McCleery** who had a knee replacement just prior to Christmas and is slowly coming good, **Mickey Foster** who fell and damaged her shoulder late last year. **Micky** is getting better albeit slowly. **Ron Nunn** is doing well following his knee replacement. Long-time member **Bryan Longhurst** turns 90 in February and all members wish him a very happy birthday and a return to good health.

Until next issue stay safe and well.

MURRAY RIVER

Veteran Certificate Presentation (OBE)

On Friday 3rd February 2023 over 30 members of Murray River RFPA gathered at 2640 Cafe, Albury for the presentation of Veteran Certificates to three of our members **Don Hamilton, Henry Honeysett, and Bill Sutton.**

The certificates were presented by our Chair **Ken (Ziggy) Zegiel.** **Zan Morley** our treasurer also received her Veteran Certificate however was unable to attend. **Zan** was presented with her certificate on Christmas Eve at home. So four new OBE's presented for this year. All of their partners were in attendance to cheer them on with the rest of our police family. Sadly **Zan** passed away a short time later however she was above to enjoy being presented with her certificate.

Congratulations Terry MacGregor on your Community Achievement Award.

Murray River RFPA Member Sergeant **Terry MacGregor** (Ret'd) on 25 January 2023 attended the SnowyValleys Council Citizen of the Year Awards at Batlow and was surprised and excited to be awarded a Community Achievement Award.

Terry is very active in the Tumbarumba Community where he lives and where he also policed for many years leading the team there. The award in brief is for past Policing achievements, **Sgt Maginnity Memorial** & grave restoration, **Mens Shed** & other Community involvement.

Members of our branch have experienced **Terry's** branch and community involvement when a number of our RFPAs members went and stayed at Tumba and **Terry** met us for lunch at the Courabyra Winery & Restaurant and toured us around the **Sgt Maginnity Memorial** & Grave site as well as a bit of a tour of Tumba itself. (**Sgt Maginnity** in pursuit of bushrangers at the memorial location, was murdered by bush ranger **Mad Dog Morgan** in 1864.) Again Congratulations **Terry** you are a champion.

Terry MacGregor

We have many social occasions and in November we visited King Valley where we tasted wine at Pizzini's and food at their Mountain View Hotel in Whitfield. We all toddled off about 3pm after having another great day out with our Murray River Retired & Former Police family and friends.

In November we also had a trip to **Anthony's Crepes Wodonga**

Christmas lunch on 18th December 2022 was a big gathering with near 50 people attending the Glasshouse Tavern at Springdale Heights. We had a wonderful attendance of near on 50 people coming from far and wide. **Roey** was down from the Blue Mountains, **Roland and Christine** from Wagga, **Warren Mitchell** in from Woomargama and **Bill & Margaret Sutton** have returned from 6 months up in Queensland.

We also had our Albury Children's Hospital toy collection where gifts were donated from our members and delivered by the Chair **Ken Zegiel** with his taxi truck to the Albury Police Station. The kids love it. A great day for a great cause.

Paula & Ken Zegiel, (Chair) Graeme (Committee Member) & Louise Stephens & David Phillips

In January we had a dinner with our Murray River RFPAs Members who live in Melbourne at the Crane Restaurant, It was non-stop chatter the whole time as it had been a while since our last catchup. We finally picked a night where **Wayne Rossetto** and partner **Megan Dell** were available to attend our dinner

Weekend at Euroa, Victoria

On 21st & 22nd January 2023, we took a trip to Euroa in Victoria including an overnight stay. We started off at the Seven Creeks Hotel which is such a lovely classic hotel. The food was lovely and everyone enjoyed our lunch there. We had **Graeme & Katie Morris** come down from Benalla to join us for lunch.

The big statue of Ned. L to R Roland Kubank, Graeme Stephens, Louise Stephens, Peter McLaren, Christine McEwan, Beth & Graham Docksey, Elisabeth McLaren.

After lunch most of the crew staying overnight went to the Victoria Cross Memorial Park at Euroa to view the statues of three local men who were awarded VC's, **Corporal Alexander Burton VC, Lieutenant Colonel Leslie Magyar VC and Major Fredrick Tubb VC** all participants in WWI. Very interesting story boards about all of them and their lives. That evening off we went to Northern Republic Restaurant situated in an old flour mill with a classic facade, which made lovely wood fired pizzas and a few odds share plate selections.

As the President of the RFPA I attended the ceremony together with branch members,

Gary Raymond and John Wakefield. Rod Withers who was injured in the blast and pulled

Terry Griffiths (our member who has since passed away) from the carnage, was in attendance.

On 7th February **Ian Lovell** and I had a meeting with the **Police Commissioner Karen Webb, APM** who was very interested in our proposals. She was shown the **Disengagement Package** to be handed to members who retire or resign from the Police Force and she agreed to have the package scrutinised before handing them out. She also mentioned how impressed she was with **Grace's Place** and the involvement of the members of this Branch in the establishment of such a worthy project. The **Ride for Justice** recommenced this year after COVID and after the ride the Bike Riders returned to Grace's Place for a BBQ and Refreshments. Thanks to **Gary, Neil and Lester** for their assistance.

On the 23 February 2023 we held our Welcome Back BBQ at Blacktown Precinct Richmond Road commencing at 10.30am. We had a rainy day (don't believe the Weather Bureau predictions all the time) Raffles, Cakes, Bacon & Egg BBQ.

Next Thursday there was a coffee crunch at the West Tigers Leagues Club which some of our members attended.

WELFARE

We now have 3 Welfare Officers on duty in this branch. Great Work

Gary Raymond reported –

Lester Robey: 12 phone calls to members and **Lester** visited **Maurie Whitton** to check on his welfare.

Neil Purvis: ongoing welfare assistance visits to **John Hall.** John has had a number of falls recently.

GUEST SPEAKER

This month's Guest Speaker was **Bill Shute**, who retired 43 years ago through injuries he received on the job. **Bill** joined the Police Force on the 27 February 1961 and recounted a number of incidents through his short career. He served at Paddington, on the Vice Squad for a short time and then Burwood and at Blacktown until 1966 when he was transferred to Richmond Police Station.

Bill Shute and Paul Wynne

On 14th June, 1967, at North Richmond, **Constable 1st Class William Andrew Shute**, whilst seated in a Departmental motor car, was confronted by a man whom he had followed. The man held a loaded sawn-off rifle at the Constable's head. Whilst this was happening the Constable endeavoured to draw his pistol. The man directed the Constable to surrender his pistol. The Constable refused and removed the ignition keys from the Police car. He then alighted from the car and when he did so the man shot him on a number of occasions in the leg. **William Shute** was awarded the Queen's Commendation for Brave Conduct (Imperial) – granted 6 December 1968 – apprehended an armed offender (Cst 1/c). As a result of his injuries **Bill Shute** retired (H. O. D) **Bill** notes that he has been "out of the job" almost twice as long as he was "in the job".

Editor's note – there is one who made good use of the pre '88 pension.

A well attended March meeting comprised of 38 attendees viz:- **Eric Etienne, Neil Purvis, Paul Wynne, Sandy Benson, Steve Bensley, John & Susan Wakefield, Ian & Barbara Lindsay, Lester & Anita Robey, Brian Haim, Barbara Maher, Gary Raymond, Annette Willett, Richard Thomas, Bill Shute, Fred & Anne Camage, Kent Vild. Maurie Whitton, John Laycock, David Livingstone, Lloyd Taylor, Sheila Jackson, David Hain, Nick Pavlov, Naomi Baldwin, David Hain, John & Susan Wakefield, Graham Stone, Michael Berwick, Ian & Barbara Lindsay, Ivan Hamilton, Elaine Bennett, Sheila Jackson.**

With apologies from – **Colleen Purvis, Mike Neilsen, Chinn Gounder, Shri Ram, Robyn & John McInerney, Phil Hickman, Greg Swindels, Robert & Robyn Oswald, John Fletcher, Greg Hyde, Ian King, Phil Martin, Mal Brown, Robert Redfern, John & Lee Hall, Michael Berwick, Chris Sweic, Ivan & Joan Hamilton, Russell Oxford, Angus McDonald, Bill Chaffey, Irene Moore, Neville Greatorex, Ray McConnell, Trevor & Betty Francis, Paul Vella, Peter Rackley.**

The Chairman advised that our Welcome Back BBQ was well attended despite the inclement weather; thanks to those who cooked the Bacon & Eggs and to the ladies for providing the cakes for sale. All in all a successful morning.

Gary Raymond was nominated and accepted the role of Chaplain at the recent NSW Committee of RFPA NSW

On the social scene, the welcome back BBQ was a success despite the weather:

I never win anything - Mick Berwick

Our annual Cancer Council Biggest Morning Tea BBQ will be held in May and several other events are in the planning stage including some weekend activities.

OBE for Darryl Maher

Guest Speaker

Our Guest Speaker was **Detective Chief Inspector Jason SMITH** of the Cyber Crime Unit.

Det. Chief Insp. Jason Smith joined the NSW Police Service in 1989 and has been an operational Police Officer for almost 34 years. He worked in a range of Local Areas, Major Crime and Specialist Commands, such as Robbery, Middle Eastern Organised Crime, Drugs and Firearms and Financial Crime. He is currently the Investigations Coordinator at the State Crime Command Cybercrime Squad.

Formed in 2018 the Fraud Cyber Squad concentrated on Online Covert engagement of cyber Crime which has no boundaries anywhere in the world. On line Scams are on the increase especially on the 'DARK WEB' He also touched on the subject of Cryptocurrency which has grown over the years and which is very hard to trace once it is in the hands of the criminals.

A very interesting look at today's top fraud crime.
