SIZE GUIDE

BODY MEASUREMENT GUIDE

Biz Collection apparel sizes are designed to fit average industry standards for the below body measurements. Please use this handy Body Measurement Guide to compare your own measurements and help you determine which size to order.

GARMENT TO GARMENT COMPARISON

An alternate method is to compare your own garment size to ours. You can do this by measuring the ½ chest of your garment (laid flat, measured 0.5in below the sleeve join, from side seam to side seam) and compare it to ours. Please refer to the individual garment measurements, shown on each style page, to determine your garment to garment size comparison.

INFORMATION - The members of the Murray River RFPA Branch decided that we wanted casual polo shirts to wear for our get togethers, so we approached Albury Uniforms and all of these items have been selected and created locally. As it gets quite cold down here, we also branched out into some warmer clothing for winter. The Riverina, Illawarra & Brisbane Northern Suburbs RFPA Branches have also ordered the polos for their branch members and adopted the clothing. Orders have been posted in bulk to branch officials or individually to members by filling in the included order form and emailing or mailing it to Albury Uniforms or just telephone Lisa and order and pay over the phone. Partners of members also order and wear the clothing. The Formal and more expensive soft-shell jackets zipped up with shirt & tie have been worn on semi formal occasions and look quite smart. Once ordered an invoice will be dispatched to the individual or branch to collect payments. Payments can be made by direct credit to the Albury Uniforms bank account listed on the invoice or call Lisa with your credit card details and you can pay over the phone.

The majority of clothing is from Biz Collection <https://www.bizcollection.com.au/> with the jumpers & budget jackets & vests from JB Wear <https://www.jbwear.com.au/corporate>
